

DRR'S MESSAGE

My Dear Rotaractors, the People of Action!

I stand here representing all of you and endeavoring to convey to the rest of the world what we all stand for!

As Rotaractors, we are here to develop ourselves and uplift our society. We stand for Rotary's five core values - Service, Fellowship, Integrity, Leadership, and Diversity.

In the Rotary Year 2023-24, one word will be close to our hearts and minds. A word that envisions development. A word that triggers positive change. A word that forces transformation. And that word is "ELEVATE."

We are here to elevate our skills, understanding, and leadership as individuals.

In parallel, we are here to elevate our society by supporting the needy, creating an aware society, and connecting people who need help with those who are ready to help. We aim to elevate the basic facilities, education facilities, and medical facilities in our society. We are dedicated to elevating our environment and energy sources, as well as promoting peace, welfare, and equity in our society.

So, in this Rotary Year, let all Rotaractors and Rotaract Clubs focus on our objective - ELEVATE.

Elevate your Club with better fellowship.

Elevate your members with better leadership.

Elevate your society with better service.

Let us wholeheartedly endeavor to elevate our Club, our members, and our society.

Come,

Let's Endeavour to Elevate.

Rtr. Sathish Balakrishnan
